Program Name: Prevention Programs

- **Child Assault Prevention (CAP):**

Preschool to teenage workshop teaching kids to be “safe, strong, and free” by using role play and guided group discussion.

- **“No More Bullies, No More Victims”:**

3rd-8th grade programs designed to sensitize kids to problems and consequences of bullying.

- **Peaceful Solutions:**

Collaborative third grade program designed to strengthen problem-solving skills and emphasize conflict resolution.

- **Kids on the Block:**

Preschool to 6th grade puppet presentations to educate kids about personal safety, sexual and physical abuse.

- **Adults & Children Together–Against Violence (ACT):**

Training program that educates adults about early violence prevention with children, raises awareness about violence and child development, and helps build skills pertinent to social problem solving, discipline, anger management and media literacy.

- **Stress, Anxiety, & Depression: Kids at Risk:**

Program designed to educate adults and professionals in the community about mental health awareness, suicide prevention and available support services. Teaches skills to improve communication with children and provides coping strategies to help kids dealing with stress and anxiety.
